Property Description

Discover your own tranquil haven just a stone's throw away from the heart of Atenas. Nestled amidst lush greenery, this expansive property offers the perfect blend of luxury, privacy, and convenience. Step into the main house, where three bedrooms and two bathrooms provide ample space for comfortable living. Wake up to stunning vistas of the valley and mountains from every corner of the main house and the separate guest house. Dive into relaxation in the oversized swimming pool, conveniently located by the terrace of the main house, perfect for soaking up the sun or entertaining friends and family. Embrace the ease of move-in readiness, as this property comes fully furnished, ensuring a seamless transition into your new abode. Protect your vehicles from the elements with the carport, offering space for two cars. Wander through the sprawling 2.5-acre estate, with an additional 2.5-acre lot available for gardening enthusiasts or those with equestrian aspirations.
