Property Description

This lovely two-story home and its casita are located just within a 5-minute drive from downtown Sámara, in a gated private property. Between these two buildings there is a common area with a swimming pool, rancho, outdoor kitchen and barbecue to share awesome family times. Costa Rica is all about outdoor living and the architect has taken this into account, offering two large terraces and outdoor living spaces with a beautiful ocean view. Contact us today to schedule a private showing of this amazing property!
