Property Description

Welcome to your dream mountain retreat in El Monte de la Cruz, Heredia. Nestled on a spacious 2195 square meter plot of land, this exquisite chalet-style home offers a serene escape in a prime location. Surrounded by the beauty of nature, you'll wake up to the melodic symphony of birdsong and breathe in the crisp, fresh mountain air. This idyllic property is perfectly situated to provide tranquility and peace, allowing you to relax and unwind in the lap of nature. The mountainous landscape offers a plethora of opportunities for exploration, ensuring that you'll always find new and captivating destinations to discover right at your doorstep. Despite its secluded feel, this mountain home is conveniently located just 10 minutes away from the heart of Heredia. Within a short distance, you'll find a vibrant city center bustling with a variety of amenities, including an array of restaurants, shopping centers, hotels, bars, and a thriving gastro culture scene.
