Property Description

La Esquina #1 is a luxurious and spacious condominium located in the heart of Playa Langosta, Costa Rica. It is situated in a quiet and safe residential neighborhood that is home to oceanfront homes and elegant condos. This magnificent 2-bedroom, 2-bathroom ground floor unit boasts an impressive 2061 sq ft of living space, making it one of the largest condos in the area. The surrounding greenery provides a home for local wildlife such as howler monkeys, tropical birds, and iguanas. Only 100 yards away and accessible via a tropical park with a winding path, is the pristine white-sand beach of Langosta which is 1 mile past the famous and bustling beach town of Tamarindo. The condo features high-end finishes and materials such as cast stone floors, Mediterranean stucco walls, teak ceilings, solid teak doors, granite countertops, decorative pillars, and Pella doors and windows, all of which add to the unit's sophisticated and stylish aesthetic.
