Property Description

Motivated to move!!! Nice rolling hill property valued to sell at \$44.8 per sq. m2. All utilities are on the property. It was once a small high-end boutique hotel with the largest community pool in all of La Garita. The structures have exceeded their life cycle usefulness and would be razed. The views are exceptional. Part of the property was subdivided years ago and can be sold as individual lots. The best use for this property would be to build a new boutique hotel, conference center, assisted care facility, or apartment complex. The property is less than 1/2 hour away from SJO International Airport, 1 hour from the coast, and 45 minutes from San Jose. contact us at +506 71075885 or gunther@puravidaparadise.com for more information or for a showing!
