Property Description

Nestled among the trees in a serene and tranquil setting, this gorgeous 6414 m² wooded lot (1.58 acres!) is the perfect place to build your country home. The lot is gently sloping (fully usable) with a mixture of mature trees creating a natural landscape that is both private and picturesque. With plenty of room to roam and explore, you'll enjoy the peace and quiet of the countryside while being just a few minutes to nearby beach towns like Playa Tamarindo with great restaurants, shopping, and services that afford comfortable living! One additional thought: The lot next door is equally beautiful (5313 m²) and is offered at \$110,000. The lots are separately available but what a property the two would make if combined!
