Property Description

If everything you are looking for is for a property with plenty of room for whatever you might want/need, this is the house for you. This jewel has 4 bedrooms, two of which are master, an office, large laundry room, living room, dining room, TV room and also a large kitchen. Everything you need with enough space for every single one of your needs. It has a garage for 2 cars, parking space, large infinity pool, terrace and also a two-story guest house for visitors. It also has green areas for your pets or even to plant your favorite fruit trees, or both. With excellent views to the east where you can enjoy the beautiful sunrises. With views of the central valley (San Jose, Alajuela and Heredia), as well as the mountains of Puriscal. Surrounded by peace and tranquility that can only be interrupted by the singing of different birds. All this is found in a property located in a very high-value residential area.
