Property Description

Splendid Spanish Style Villa with Amazing Views Freshly arrived on the market this splendid villa is located in a gated community, you are going through the first gate opening with a numeric code, few hundred yards after you are reaching the gate which belongs to the villa, this one opens with a remote control. The covered car park is fully integrated with the villa architecture and offers enough space for two large cars and even more. Visitors' car could be parked in front of the house. The villa's entrance door gets you to a small hall, leave the laundry room on your left-hand side and dive into a very spacious open living room/kitchen configuration. The living space is all dedicated to the super large balcony and its amazing view towards the valley of Atenas. Both atmospheres inside and outside communicate via ample sliding doors all equipped with mosquito nets. The kitchen cabinets are made of hard wood, appliances are also inclusive.
