Property Description

Piece of land nestled in the Atenas mountains, offering breathtaking views from its privileged location within a private community. Just 15 minutes from town, this land presents a unique opportunity for development. Here are the key details:

Key Features:

- Size and Privacy:** This expansive land parcel provides ample space for development while ensuring privacy. Located within a private community, it offers a secluded and exclusive environment.
- Mountain Views:** Enjoy stunning views from the mountainous terrain, providing a picturesque backdrop for any development project. The natural beauty of the surroundings enhances the appeal of this property.
- Convenient Location:** Despite its private setting, the land is conveniently situated only 15 minutes from town. This ensures easy access to essential services, making it an ideal balance between seclusion and convenience.
- Development Ready:** The property is primed for development, making it an excellent canvas for creating a unique project.
